**PATIENT OF THE MONTH**

**The Heritage of Hospitality is a legacy of lifelong smiles, generation after generation...**

In 1985, Doilene Graham began working for Hospitality Dental and was soon promoted as the Office Manager of our Rancho Cucamonga Office. Doilene has been an amazing asset to Hospitality Dental since. In 1991, Doilene's granddaughter, Alycia Smith, began visiting the dentist and became a loyal patient of Hospitality Dental.

**"Alycia followed in the footsteps of her grandmother (Doilene)..."**

Alycia has been a great example of lifelong dedication to dental health for 20 years! She graduated summa cum laude from the University of Redlands in 2009 with a Bachelors of Science in Mathematics. Eventually Alycia followed in the footsteps of her grandmother. Just like her grandmother, Alycia joined the Hospitality Dental team in May 2010 and has done a wonderful job as the Office Manager of our Victorville Office.

Thank you to Doilene and Alycia for being excellent examples of lifelong dedication to dental health! We value the beautiful Hospitality Dental Smiles of our loyal patients and team members!!!
